

## IAG Web Links

As well as asking for help in school there are many useful web links which you can access as you try to explore the opportunities open to you for your future.

[www.logonmoveon.co.uk](http://www.logonmoveon.co.uk) gives you information on all courses and colleges in the Hull and East Riding area. You can use the Information and Advice tab to get information on how to choose, what to do, where you can learn and where to get more help.

[www.connexions-direct.co.uk](http://www.connexions-direct.co.uk) gives lots of information and advice to help you to make the important decisions and choices in your life. It will also give you the opportunity to contact advisers online, by text, email, or telephone.

From this site you can also search the careers database to help you find the right job for you.

[www.apprenticeships.org.uk](http://www.apprenticeships.org.uk) check out this site for national information on apprenticeships

[www.cflhumber.com](http://www.cflhumber.com) Consortium for Learning - this is the website which is particularly useful for local information on apprenticeships. A member of cfl visits the school to give updated information to Year 11 students each year.

<http://ema.direct.gov.uk/> If you are concerned about the cost of learning after Year 11 this website provides details of the Education Maintenance Allowance scheme [EMA] and how it could help you to afford future learning. Depending on your home finances you could receive a weekly allowance to attend a variety of further education courses. Visit this site to find out more.

[www.lmihumber.co.uk/](http://www.lmihumber.co.uk/) Labour Market Information [lmi] can help you plan for your future by helping you to find out about jobs and opportunities in your local area. Look at this site to see what the employment trends are and what employers want from you.

If you are considering going on to University then try the following sites .....

[www.direct.gov.uk/en/EducationAndLearning/UniversityAndHigherEducation/index.htm](http://www.direct.gov.uk/en/EducationAndLearning/UniversityAndHigherEducation/index.htm) Aim Higher provides information on courses, financial advice and support, the application process and student life. to anyone thinking of entering higher education.

[www.ucas.com/](http://www.ucas.com/) this website helps you to find and research universities and their courses. You can also use the site to apply and follow the progress of your application.

Remember...it's your future and the choice is in your hands. There are lots of sites to help with your decision process....and of course lots of people in school too! Don't forget your parents may also like to look at some of these sites.

Good Luck !
