Basic Principles

- If no specific advice, policies or guidelines for a specific situation exist, or if you are unsure consult a senior manager
- If you need to take a particular course of action in an unplanned circumstance, which may vary from policies or does not allow time for advice to be sought, record these actions with a Senior Manager as soon as possible.
- If at any time you are concerned that an action or comment by yourself may be misinterpreted or that a child behaves or makes a comment in a way that causes you concern in this respect, log your concerns immediately with the Executive Headteacher or a member of the Federation Senior Leadership Team.

Staff Responsibilities

All staff have responsibilities to ensure the Safeguarding of children;

- Work and behave safely and responsibly at all times to fulfil your duty of care and not abuse in any way your position of trust
- Respond to any concerns about a child's wellbeing that you may have or are brought to your attention in line with the schools and ERSCB Child Protection policy
- Respond in the same way to concerns that involve the behaviour of other adults in the Federation of Schools by following the procedures for 'Whistle Blowing'
- Review your own practice and follow school policies and procedures and seek and advice when unsure
- **Understand that it is professionally and morally unacceptable for staff not to carry out these responsibilities.**

School Responsibilities

In order for staff to carry out these responsibilities Hesse High School and Penshurst Primary School will ensure that:

- all new and existing staff receive adequate Child Protection training as laid down in the school Child Protection and other related policies
- all staff are made aware and reminded of the schools' procedures for reporting concerns and related Safe School policies
- staff concerns and opinions will be sought and taken into account in the regular review of related policies and procedures
- that all staff are aware of the schools' and LA 'whistle blowing' procedures by which adults can voice their concerns, made in good faith, without fear of repercussion.

- If you need to take a particular course of action in an unplanned circumstance, which may vary from policies or does not allow time for advice to be sought, record these actions with a Senior Manager as soon as is practicable
- If at any time you are concerned that an action or comment by yourself may be misinterpreted or that a child behaves or makes a comment in a way that causes you concern in this respect, log your concerns immediately with the appropriate senior member of staff.
